Watson Community Cash Lottery: Thank you to every one who supported our first Community Cash Lottery. The funds raised from this will go towards supporting the Quill Plains Health Care Foundation, McNab Regional Park and the Watson & District Arena. We will be doing the lottery again, and hope to continue to support community projects. The goal of this lottery is to decrease the number of raffle tickets we put out each year for each group.

What's Up Watson??

Mel Molle Park has been on our radar for development for several years, but COVID slowed every thing down. Make sure you attend our public meeting on March 15 to share ideas and hear about plans for the park. The Wildlife Federation is working to provide a trout pond in the north end of the park. Once we establish where that is going to be, we can plan some walking trails and other amenities.

We are hoping to implement the automated curbside garbage pick up this spring, just waiting for final details from REACT.

Volunteerism is a huge part of small town success. We thank all of our volunteers for sharing your skills, talents and knowledge! If you would like to get more involved in volunteering in Watson please call the office, we would be happy to help you find a group that you would enjoy working with. It is a great way to meet members of the community if you have just moved here!

Did you know that the Town Office offers both Notary Public and Commissioner of Oaths services? Give us a call or stop by and we are happy to help you.
