

Watson Pharmasave

Watson Pharmasave focuses on exceptional patient-centred healthcare, medical advice and customer service. We offer Simpl; a program that includes a personalized medication review, medication organization and a call in advance to check-in and let you know your medications are ready. Pharmacy staff can provide medication management packaging, minor ailment prescribing, injections and compression stocking fittings. Visit us and discover a wide range of drugstore products including toys, giftware, cards and confection including gluten and sugar free choices. Our staff can help you with lottery, stationary, skin and hair care products, cosmetics and home health equipment. Giving back to the community is a core value at Watson Pharmasave. We proudly support what matters in our communities because communities matter at Pharmasave.
